35 years of OOCYTE CRYOPRESERVATION

Bologna (Italy)
October 11-12, 2022

In cooperation with
Fondazione AIRA

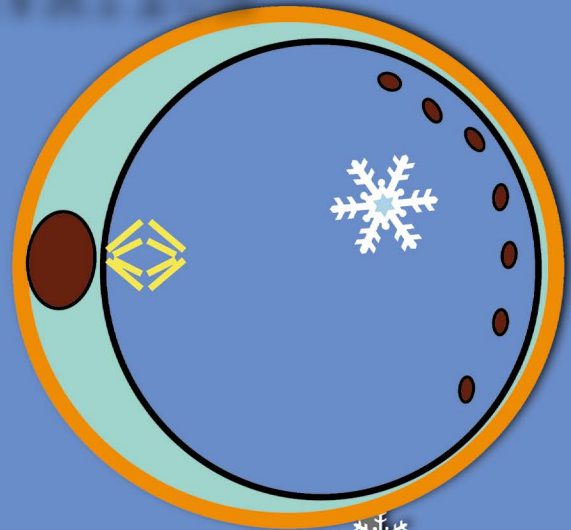

SCIENTIFIC PROGRAM

PRESIDENTS

Eleonora Porcu
Renato Seracchioli
Giuseppe Damiano

SCIENTIFIC SECRETARIAT

Leonardo Notarangelo
Nilla Calza
Linda Cipriani
Maria Dirodi
Maria Lucrezia Tranquillo
Francesca Labriola

Tuesday, October 11, 2022

14.00 Opening remarks

14.30 Milestones in 35 years history of oocyte cryopreservation
E. Porcu

1. Biological aspects of oocyte cryopreservation

Chairs: N. Colacurci, G. Damiano

15.00 From slow freezing to vitrification
L. Rienzi

15.20 Critical parameters in oocyte vitrification
D. Gook

15.40 Ultrastructural damage in frozen-thawed human oocytes
L. De Santis

16.00 Oocytes Vitrification and embryo development
C. Magli

16.20 Discussion

16.40 Break

Chairs: C. Foresta, R. Fabbri

17.00 Semi-automated closed vitrification system
A. Arav

17.20 Safety and efficiency of oocyte vitrification storage devices the time of Covid-19
L. Notarangelo

17.40 Lab to Lab shipping of cryopreserved oocytes
N. Calza

18:00 Discussion

Wednesday, October 12, 2022

● **2. Oocyte storage for Fertility Preservation**

Chairs: S. Schettini, AP. Ferraretti

9.00 Oocyte cryopreservation in adolescents and young adults with cancer

E. Porcu

9.20 Efficiency and safety of ovarian stimulation protocols for oocyte vitrification and cancer outcome

C. Alviggi

9.40 Oocyte storage in BRCA mutation carriers

A. Revelli

10.00 Oocyte storage in Turner Syndrome

M. De Vos

10.20 Oocyte cryopreservation for age-related fertility decline and in young POI patients

A. Cobo

10.40 Discussion

11.00 *Break*

Chairs: E. Porcu, L. Cipriani

11.20 Oncological management of fertility preservation
F. Peccatori

11.40 Oocyte or ovarian tissue transplantation in cancer patients' fertility preservation?

D. Meirou

12.00 Oocyte storage and GnRH analogs for optimal management for fertility preservation in cancer
P. Anserini

12.20 Management of fertility preservation with Public Health Assistance

M.C. Fasolino

12.40 Elective egg freezing

P. Patrizio

13.00 Ethical and Legal Aspects of elective oocyte cryopreservation

S. Canestrari

13.20 Discussion

13.40 *Lunch*

Wednesday, October 12, 2022

● **3. Oocyte storage in IVF**

Chairs: **G. D'Amato, M. Costa**

14.40 Routine management of supernumerary oocyte cryopreservation in IVF

E. Porcu

15.00 Oocytes' storage results from the Italian ART Registry

G. Scaravelli

15.20 Cumulative pregnancy rate with oocyte vitrification

F.M. Ubaldi

15.40 Frozen oocytes versus frozen embryos

A. Borini

16.00 Is PGT recommended after oocyte cryopreservation?

L. Gianaroli

16.20 Obstetric and perinatal outcome after conception with cryopreserved oocytes

P. Levi Setti

16.40 Oocyte cryopreservation in oocyte donation program

N. Noyes

17.00 Discussion

17.20 *Break*

● **4. Oocyte storage to save non human species**

Chairs: **C. Galli, P. Loi**

17.40 Domestic animals

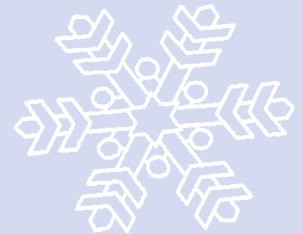

S. Ledda

18.10 Wild animals

T. Hildebrandt

18.40 Discussion

19.00 Closing Remarks

GENERAL INFORMATION

CONGRESS VENUE

Hotel Savoia Regency

Via del Pilastro, 2, Bologna - Italy

CONGRESS LANGUAGE

The official language of the congress is English. Please note that the simultaneous translation will not be provided.

REGISTRATIONS

To register, please connect to the website www.planning.it and select the Events section.

We invite the user to search for the event by entering the keyword in the "Free search" field. Online registrations will be open until **September 30, 2022**.

After this date, please contact the Organizing Secretariat at the address a.landuzzi@planning.it if you would like to register.

Registration fee: € 366

The registration fee includes: 22% VAT, admittance to scientific sessions, access to exhibition area, congress kit, Lunch break, coffee breaks, italian CME Certificate and certificate of attendance.

CERTIFICATE OF ATTENDANCE

A certificate of attendance will be handed out upon request at the Organizing Secretariat counter at the end of the Congress.

ITALIAN CONTINUING MEDICAL EDUCATION (CME)

Planning Congressi S.r.l. is a CME provider - identification code no. 38 - and has assigned to the event **no. 38-361077 no. 15,6 credits** for Biologists and Physicians (gynecology and obstetrics), veterinarians, midwives, nurses, biomedical laboratory technician.

Please be aware that for the acquisition of credits it is mandatory to have attended the 90% of the whole duration of the congress and selected at least the 75% of correct answers of the CME questionnaire.

COVID -19 HEALTH MEASURES

We strongly recommend the use of surgical masks or FFP2 type in our events, even if there is not currently any legal obligation.
